Liz,

We don't agree that CDK's omnibus 40-page opposition addressing vendors and dealers warrants more than doubling the pages you have for reply. Increasing your pages from 15 to 35 (20 additional pages), as you propose, isn't consistent with the Court's initial order on pages and would not be fair to CDK (even by your count this would mean dealers would have 60 pages of briefing to CDK's 30). To avoid a dispute before the Court, however, we would be ok with dealers taking an additional 10 pages for reply, up to 25 pages.

Thanks,
Kate

Be cautious, particularly with links and attachments.

Kate,

We intend to request 35 pages for the Dealers' class cert reply. CDK's consolidated response contains almost 30 pages that are specific to Dealers or raise issues for both Dealers and Vendors. The Court's Order (ECF No. 1428) notes that counsel are free to make a request for additional pages for reply memoranda. Please let us know CDK's position on this as we would like to file our request with the Court shortly.

Thanks,

Liz
